About Us [9]

The services and solutions that we offer can be narrowed down in 3 major areas:

- marketing and sales of selected SCM services and solutions [10], used by various corporate clients throughout Europe, North America and South America (Asia is still on our wishlist ... we're working on it ...).
- various internet solutions and services [11] typically used by SMB clients, such as webhosting and eMailhosting, but also more advanced facilities such as virtual private networks (VPN), security certificates, etc.
- various flavors of ICT services and solutions [12] to various SMB clients all over Belgium.
